

ROHIT GURULING BURKE

Data Analyst | Manufacturing Analytics | Power BI | SQL | Python
rohitbhurke3@gmail.com | +91-8660217029 | Bengaluru, India | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Data analyst with 1.75+ years at Godrej & Boyce (Busbar Systems) and a strong foundation in manufacturing operations. Built Power BI dashboards adopted by 3 team leads, developed OEE calculators contributing to 28% improvement in machine uptime, and optimised inventory pipelines using ERP data. Currently pursuing MTech in Data Science & Engineering from BITS Pilani (WILP). Proficient in SQL, Python (Pandas, NumPy), Power BI (DAX, data modelling), Excel, and INFOR ERP. Seeking a data analyst role where domain expertise in manufacturing meets data-driven decision-making.

TECHNICAL SKILLS

Data Visualisation: Power BI (DAX, Data Modelling, Dashboards), Advanced Excel (Charts, Conditional Formatting, Pivot Tables)

Data Analysis & ETL: Power Query (M Code), VLOOKUP/XLOOKUP, What-If Analysis, Statistical Analysis

Databases & Querying: MySQL — Joins, Subqueries, Aggregations, Window Functions (Intermediate)

Programming: Python — Pandas, NumPy, Matplotlib, Scikit-learn

ERP & Enterprise Tools: INFOR ERP (BOM, MRP, Production Planning, Inventory), MS Office Suite, Google Sheets

PROFESSIONAL EXPERIENCE

Assistant Production Manager

Feb 2026 – Present

Godrej & Boyce Mfg. Pvt. Ltd. — Busbar Systems, Bengaluru

- Built Power BI dashboards for daily production KPIs (output, machine utilisation, team productivity) — adopted by 3 team leads, eliminating manual reporting.
- Developed machine-wise OEE calculator ($\text{Availability} \times \text{Performance} \times \text{Quality}$) that contributed to 28% improvement in machine uptime through bottleneck identification.
- Managed BOM data integrity across 100+ production orders in INFOR ERP; conducted inventory pipeline analysis to eliminate redundant procurement and reduce carrying costs.
- Led Kaizen process improvement initiatives using shop-floor data, achieving measurable gains in efficiency and waste reduction.

Assistant Quality Manager

Aug 2025 – Feb 2026

Godrej & Boyce Mfg. Pvt. Ltd. — Busbar Systems, Bengaluru

- Prepared HV test reports and quality analysis data with 100% accuracy; conducted root cause analysis on defect patterns to prevent recurrence across production batches.
- Streamlined NCR tracking workflow with vendors; trained operators using standardised checklists, reducing subjective quality assessments.

Graduate Engineer Trainee

Aug 2024 – Aug 2025

Godrej & Boyce Mfg. Pvt. Ltd. — Busbar Systems, Bengaluru

- Completed rotational training across production, quality, and warehouse — built end-to-end understanding of manufacturing data flows and ERP-driven inventory management.

KEY PROJECTS

Enterprise Manufacturing MIS & OEE Diagnostic Engine (Python · Power BI · DAX · M Code)

- Generated 90-day simulated shop-floor transactional dataset (1,000+ rows) using Python (Pandas/NumPy), modelling realistic variance for a busduct assembly plant.
- Built automated Power Query pipeline with composite key (Date_Shift_Key) for cross-filtering across many-to-many schemas; formulated OEE DAX measures for Availability, Performance, and Quality.
- Configured conditional formatting alerts on a dark executive dashboard that auto-isolated a 20% Shift B efficiency drop traced to insulation calibration defects.

Production Analytics Dashboard (Power BI · DAX)

- Designed drill-down dashboards with DAX measures for machine-wise output, team productivity, and trend analysis — adopted by 3 team leads for daily operations reviews.

Data Analyst Portfolio Website (GitHub Pages)

- Published portfolio at rohitbhurke.github.io showcasing Power BI dashboards, Python scripts, and SQL case studies in manufacturing and operations analytics.

EDUCATION

MTech — Data Science & Engineering (Pursuing, Sem 1)

Expected 2028

BITS Pilani — Work Integrated Learning Programme (WILP)

Coursework: Data Science, Statistical Methods, Programming for DS, Machine Learning

BE — Electrical and Electronics Engineering

June 2024

Siddaganga Institute of Technology, VTU, Tumkur | CGPA: 7.69/10.00

CERTIFICATIONS & LANGUAGES

Certification: Power BI — AI Dashboards & Data Modelling (Skill Nation / OfficeMaster PowerBI Workshop)

Languages: English (Professional) | Hindi (Proficient) | Kannada (Native)
